

## HPI Racing® 1/32 Formula Q32 Racer RTRs

### Palm-sized formula racing

Compact 1/32 Formula Q32 Racer RTRs let you experience wheel-to-wheel formula racing action anywhere! Whether you choose the **Red** or **Blue** version, you'll enjoy factory-assembled convenience and classic open-wheel styling. Real Steer proportional steering gives you the authentic driving "feel" you demand. Eight corner markers and a folding jump ramp gives you the freedom to create custom race courses. Check it out— and the free stunt templates available for download at [hpiracing.com](http://hpiracing.com).

### Features
