

RISE INDORFIN 130 Brushless FPV Race Drone

Time to Rev Up Your INDORFIN

Speed. Killer speed. That's what the INDORFIN 130 Brushless FPV Race Drone brings to the flying field. It's made to make FPV insanity a reality, squeezing through gates, hugging tight curves, and taking freestyle to new heights. It's available in both FPV-R and fully loaded Race Pack versions for pro and beginner pilots. Either way, you get the power of 3S LiPo batteries for blistering speed and a carbon fiber frame for exceptional durability. Visit explore-rise.com to learn more.
