

NITRO QUAKE

Ready to Run?
Try Ready to
RULE!!!

DURATRAX
THE LEADER IN AWESOME RIC™

If you crave instant gratification in a big, realistic, ground-pounding monster truck, feast your eyes on the Nitro Quake from DuraTrax! This 1/8 scale beast is the first of its kind: a 4WD, nitro-powered monster truck that's completely Ready-To-Run AND ready to dominate the action with its intimidating size.

The Nitro Quake RTR goes virtually from the box to the track!

- Comes completely assembled!
- A powerful TORQ™ 21 engine is pre-installed!
- A high-quality 2-channel pistol radio is pre-installed!
- The body is pre-cut, trimmed and painted!
- 12 "AA" radio batteries are included!

HUGE
1:8 Scale 4WD

The Nitro Quake's components are top-of-the-line.

2-Channel Pistol Grip Radio

- Balanced, ergonomic transmitter that's comfortable to hold
- Servo reversing
- LED battery status indicators
- Battery charge jack
- Heavy-duty ball bearing steering servo

TORQ 21 3.5cc Nitro Engine

- Efficient slide valve carb with adjustable high- and low-speed needles
- True ABC construction
- Rear exhaust
- Dual heavy-duty ball bearing-supported crankshaft
- Heavy-duty con rod with oil feed hole
- Glow plug and tuned muffler included
- Recoil starter that adds convenience without sacrificing power

TORQ 21

You also get a FREE engine start-up video!

Included with the Nitro Quake is a video that shows, step by step, how to start and operate the TORQ 21 engine, as well as helpful maintenance tips.

The stylish Nitro Quake body is pre-cut, trimmed and painted!

Made of durable polycarbonate, and topped off with gleaming chrome bumper, roll bar and mirrors — all you have to do is apply the dazzling decals and install chrome details.

DTXC0073

For those who want to equip the Nitro Quake with their own radio system, it's also available in a prebuilt version.

For the location of the dealer nearest you, please call 1-800-682-8948 and mention code number 99C12.
