

# MAXIMUM MT-Pro

1:10 Scale Ready-To-Run R/C Nitro-Powered 2WD Monster Truck

## MAX! Exploding with upgrades!

FULLY  
ASSEMBLED -  
JUST ADD FUEL  
AND GO!

## \$300 of hop-ups INCLUDED!

Unstoppable nitro power. Stylish, chrome-enhanced looks. Ready-To-Run simplicity and completeness. The Maximum MT monster truck is well known for combining all of these attributes into one awesome off-roader — a 2WD beast that anyone can enjoy.

Now imagine that same monster truck technology with even MORE high-performance hop-ups added...and you have the Maximum MT Pro RTR. It comes fully assembled, powered by a TORQ™ 16 engine, equipped with a quality radio system made by Futaba® — and MAXED OUT with nearly \$300 worth of extraordinary option parts!

The DuraTrax Maximum MT Pro RTR. It's tough, easy, and the pinnacle in fire-breathing, earth-shaking monster truck thrills.

**DURATRAX**  
THE LEADER IN AWESOME RIC™

## TOTALLY tricked out options!

- ✓ Fast two-speed transmission
- ✓ Power-boosting tuned pipe
- ✓ Strong 6061 T6 aluminum chassis **(NEW)**
- ✓ Complete ball bearings (16 total)
- ✓ Tons of tough anodized aluminum parts
- ✓ Throttle return spring for servo power loss protection...

All included with proven Maximum MT technology!

## These top-of-the-line accessories are already included and installed!

### High-quality radio system - made by Futaba®

Futaba — producers of state-of-the-art radio-control systems — developed this 2-channel system for DuraTrax. The transmitter's comfortable grip and superior balance let you race longer without tiring. And it's equipped to make the most of your driving skill!

#### Includes:

- Servo reversing
- LED battery status indicator
- Steering and throttle trims
- Retractable antenna
- Changeable crystals

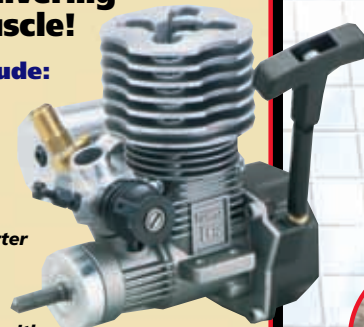

12 "AA"  
batteries  
included

### Powerful **TORQ 16** engine - delivering monster muscle!

#### Features include:

- True ABC construction — an aluminum piston and brass cylinder liner with chrome plating
- Reliable recoil starter — makes engine starting quick and easy
- Rotary carburetor with high & low-speed needle adjustments
- Dual heavy-duty ball bearing-supported crankshaft
- Heavy-duty connecting rod with oil-feed hole
- Large, heavy-duty air filter

### Bonus Nitro Starter Pack

The Maximum MT Pro RTR comes complete and ready for action! DuraTrax includes an 8-ounce (250cc) fuel bottle and glow starter with "C"-size alkaline battery.

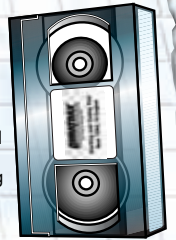

### Durable, realistic monster truck body

Molded from rugged polycarbonate, the Maximum MT Pro's body arrives cut, trimmed and professionally painted. It's sturdy, stylish and resists cracks and crashes — all you have to do is apply the decals and mount the chrome details.

### FREE Torq 16™ Engine Start-Up Video!

See how easy it is to get moving with nitro-powered torque! Includes step-by-step instructions on starting and operating your TORQ 16, plus tips on keeping it in peak condition.
