## DIGITAL PEAK CHARGER

**NiMH  
NiCd**™

Look exclusively for battery chargers with this symbol to handle NiCd and NiMH charging needs.

## Exceptional peak charging value — with SIX programmable features!

You may be amazed at how much charger you can get at a surprisingly low price — IF your choice is the DuraTrax Piranha AC/DC Digital Peak Charger. Its six easily programmable features, including adjustable charge current and peak detection sensitivity, let you tailor operation to suit your specific battery types. State-of-the-art microprocessor control adds intelligence and reliability, providing the versatility you need for a wide range of charging demands.

- Compact size (5" x 3.4" x 5.5") and AC/DC input options allow convenient use at home or the track.
- Two-line, 16-character LCD shows battery voltage, peak detection mV, charge time, current and capacity — as well as errors for improper input voltage, poor battery connections, and reverse output polarity.
- Memory stores pre-set charge parameters for up to 10 batteries.
- Automatic charge mode takes effect and charges batteries safely if specific settings are not selected.
- Solid-state reverse polarity and short circuit protection included on input and output.

Angled for easy viewing, the Digital Peak Charger's custom LCD screen shows battery voltage, peak detection mV, charge time, current, capacity and more.

**Tailor operation to your specific battery types with these programmable features:**

Feature	Programmable Range
Battery Type	NiCd, NiMH - 1-8 cells
Charge Current	0.1-5.0A
Battery Capacity	50-5000mAh
Peak Sensitivity	3-20mV
Trickle Current	0, 100, 200mA
Sounds	5

### More great values in modeling accessories.

#### Piranha™ 1500 SCX Battery Packs

- *Rugged enough to withstand multiple run-'n-recharge cycles on the same day! Great for sport use.*

DTXC2100 Piranha 1500mAh SCX 6C Flat-Std  
DTXC2102 Piranha 1500mAh SCX 6C Hump-Std  
DTXC2110 Piranha 1500mAh SCX 7C Flat-Std  
DTXC2112 Piranha 1500mAh SCX 7C Hump-Std

#### Piranha™ 1800 SCX Battery Packs

- *17% more capacity than most sport packs, for longer sport racing run times.*

DTXC2085 Piranha 1800mAh SCX 6C Flat-Std  
DTXC2086 Piranha 1800mAh SCX 7C Flat-Std  
DTXC2087 Piranha 1800mAh SCX 7C Hump-Std

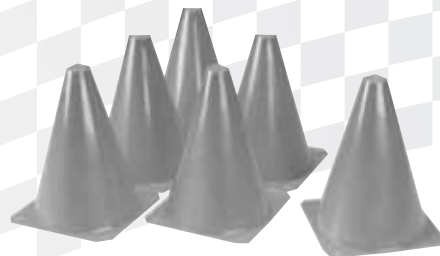

#### IntelliSpeed™ Auto-Sport Forward w/Brake Electronic Speed Control

Make the smart move to electronic speed control smoothness with the affordable IntelliSpeed Auto-Sport. Able to handle modified motors down to 20 turns, it's as ideal for sport fun as ROAR-legal stock racing. Set-up is automatic — and it's loaded with features: installed motor, radio and battery connectors; high-frequency (1 KHz) switching for cool, efficient operation; acceleration/traction control; and 6-7 cell compatibility. Also included are weight-saving 5V/1A BEC, twin LEDs, thermal overload protection and a 120-day warranty. **DTXM1055**

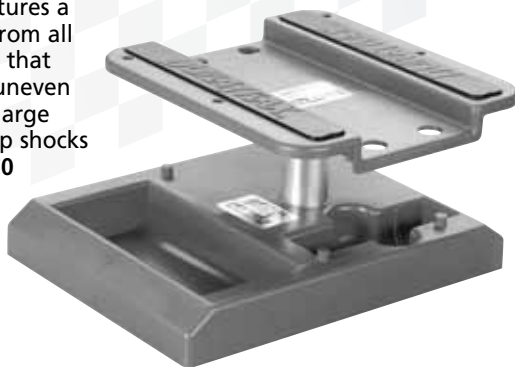

#### Kwik Trak™ Racing Cones

Turn any driveway or parking lot into an R/C race track with these durable, 7" tall racing cones. Includes a set of six. **DTXC2377**

#### Pit Tech™ Deluxe Car Stand

A convenient workstation that features a rotating top plate for easy access from all sides and a dropped center section that provides stability for models with uneven chassis bottoms. Includes an extra-large parts tray and built-in holes to keep shocks upright when rebuilding. **DTXC2370**

#### Kwik-Ramp™ Jump

This portable jump can turn any surface into an off-road course. It's made of impact-resistant, corrugated polymer and features an adjustable jump angle. **DTXC2375**

#### Field Bags

For "grab-it-and-go" racing, these Field Bags are made to take it — constructed of heavy-duty black nylon, with a reinforced interior and multiple side pockets. Stitched handles, detachable shoulder straps and a zippered top add carrying comfort and security. X-Large measures 22.75" x 13" x 11"; Deluxe X-Large measures 27" x 14" x 12.5" and has two zippered end compartments plus a water-resistant vinyl bottom.
