

Cessna® 182 SKYLANE®

Ready-to-Fly Select Scale™ Electric Airplane

Select
Scale™ RTF
READY-TO-FLY

authentic appearance —
brushless performance.

Look closely, and you'll see features you've never seen on any other Flyzone airplane. Lights. Tinted windows. And a sleek, finished AeroCell™ foam exterior.

But Select Scale is more than looks alone; it's all about superior performance and assembly ease, too. Throttled up, it has all the agility and brushless power an aerobatic pilot could want. Throttled back, it has all the easy handling and high-wing stability that a first-time pilot could want.

Performance and appearance together, in an all-in-one package.

Appearance Pluses:

- Installed, 7-LED lighting system
- Corrugated control surfaces
- Clear, tinted windows
- Factory-applied, Cessna-style trim scheme

Premium Performance Equipment:

- 5-channel digital radio system
- Brushless motor
- Brushless ESC
- 11.1V 1800mAh balanced LiPo battery
- Balancing charger with DC car adapter and AC wall adapter
- Working drop-hinged flaps
- Steerable nosewheel with a working shock.

HCAA42*
wingspan: 47.5 in (1,205 mm)
wing area: 339 in² (21.9 dm²)
weight: 37.0 oz (1,050 g)
wing loading: 15.7 oz/ft² (48 g/dm²)
length: 39 in (990 mm)
requires: 8 "AA" alkaline batteries
