

Z01B™ TEAM

1/8 Scale 4WD Team Kit

Limited Edition 2-In-1 Kit

LIMITED
TIME ONLY!

Get with the winning "Team"!

Sharpen your competitive edge with O'Donnell's latest, state-of-the-art suspension geometry! For a limited time only when you purchase the Z01-B Standard kit you'll also get all the parts for converting your ride to the awesome Team version...FREE! Instructions for both versions are included: build the Standard Z01-B with its consistent handling characteristics, or the tricked-out Team kit that rewards superior driving skills with better handling, quicker steering response, faster cornering speeds and greater rough track stability. The lightweight platform also improves acceleration.
